

COMMANDERS CLUB

SMAC Commanders is a fee based membership. The fee structure is \$150 for individual and \$250 for corporate membership. The fee structure will be reviewed each November by Council and Chamber CEO. The fee helps cover various expenses related to Military Family support, special events for Commanders and MAC programming. Commanders will be invited to exclusive events throughout the year that might include, GPJTC, Crisis City, Smoky Hill Weapons Range, Fort Riley and other special events designed for commanders. Dues are assessed on a yearly basis. (January 1 – December 31) Prorated membership may be approved should the date of membership begin after July 15.

HONORARY COMMANDER

An Honorary Commander may be nominated by the SMAC Council and Commanders Club members on a calendar basis. SMAC members may grant membership to, but not limited to, Senior Military Officials, Salina Mayor, Saline County Commission Chair, Salina Police Department Chief, Salina Fire Chief, and Saline County Sheriff. They will be invited to Commanders Club events and would be responsible for any costs at the events unless they are being honored.

INDIVIDUAL RUNNING FOR PUBLIC OFFICE

Shall an individual council member run for a public office (state level or higher) will not be seated on the SMAC Council while actively seeking the office, or until the end of their election campaign. Once the member is no longer involved in a campaign, they may be re-nominated. If elected to a public position at the State or higher level, the person would automatically become an honorary member of the Council and Commanders Club during their term in office.
