MATT & SKYLE STEWART, OWNERS
THE HIDEAWAY

Can you please give us a three sentence summary of your personal background?

I'm very fortunate to have a wife and son I love very much. I enjoy live music, art, great food, bourbon and craft beer.

How long have you been in business and why are you operating in the Salina region?

We have only been open for three months. We chose Salina because our family is here and we feel it is a great place for our family.

What is it about your business that is unique or special? What separates you from your competitors?

We are Salina's only legitimate neighborhood bar that has been operating for 50 years. Unlike many bars in town, we specialize in custom cocktails that include fresh fruits, vegetables and juices.

What are some of the plans you have for the future of your business?

Our bar is small and our aspirations are very modest. We hope to continue perfecting our cocktails, provide great, friendly service and bring great events and live music to Salina.

In general, how is demand for your product or service?

People are starting to warm up to the idea of good drinks at a reasonable price. We're very happy with the reception we have gotten thus far.
