LEADERSHIP SALINA 2022

INSPIRE...
EDUCATE...
CONNECT...

THE PROGRAM... In partnership with The Kansas Leadership Center, Leadership Salina hopes to **inspire** citizens to engage more, care more, and risk more on behalf of the Salina community. The program **educates** participants on how to do that more effectively and **connects** people to create strong networks oriented toward improving the Salina community. The program consists of seven full sessions, plus a day at the Kansas Leadership Center in Wichita and a project work day.

THE PARTICIPANTS... A diversified group of up to 30 participants will be selected from various business, professional, governmental, educational, religious, civic and minority organizations. Leadership Salina does not discriminate in its enrollment policies on the basis of race, sex or religion. Participants must agree to attend all sessions and accept responsibility for tuition payment.

THE FEES... Tuition for Leadership Salina is $500 per person, which includes all materials, meals, social functions, and the day in Wichita. Tuition can be paid by a business or organization for a participant, or an individual can pay his or her own tuition. A limited number of partial scholarships are available.

*"**ANYONE** can lead anytime, anywhere."*

THE CURRICULUM...

THE CURRICULUM... Leadership Salina equips people with the ability to make long lasting change for the common good. It focuses on leadership being an activity, not a role or position. The curriculum is based on the Kansas Leadership Center Civic Leadership Competencies - Manage Self, Diagnose Situation, Energize Others, and Intervene Skillfully. Through large-group sessions, small-group work, peer consulting and individual reflections, participants develop the ability to better harness their leadership potential and make a difference in the community. Participants will also visit local businesses, participate in discussions with community leaders and participate in a group project.

GROUP PROJECTS... Class members will have the opportunity to use their leadership skills and the Strategic Doing strategies for the direct betterment of the community through a group project or projects, based on their vision for the community. Class members will be responsible for researching their idea(s), determining feasibility, acquiring the resources to complete the project, completing the project, and celebrating their accomplishments.
