It cannot be stressed enough the importance of staying home and only going out for essential tasks. You can reduce your risks of exposure by:

• Staying home and only leaving to perform essential tasks.
• Maintain social distancing when out in public – 6 feet or more.
• Covering your face when social distancing is not able to be maintained in public places.
• Washing your hands frequently with soap and water for 20 seconds or more.
• Using hand sanitizer if washing your hands is not readily available.
• Stay home if you are sick.
• Contact your medical provider if you are experiencing symptoms of COVID-19

Saline County continues to receive reports of alleged non-compliance with the Statewide Stay-at-Home order. Alleged violations can be reported through our online submission form at www.saline.org.
