

# 2025 Cultural Arts Regional Marketing (CARM) Program and Guidelines

## for Salina Area Cultural Arts Organizations and Cultural Programmers

### Section I: Overview

**Purpose:** The Cultural Arts Regional Marketing (CARM) program aims to:

- Increase the economic impact from overnight stays at Salina hotels/motels.
- Measure the impact of visitors attending cultural arts venues and events.
- Enhance regional marketing efforts using a portion of the transient guest tax.
- Encourage partnerships among cultural venues, hotels, restaurants, and retailers.

### About the Program:

Authorized by Charter Ordinance No. 35 and Resolution No. 14-7151, the transient guest tax (TGT) in Salina is set at 7.75%.

A portion of TGT is allocated to the CARM Regional Marketing Program for large organizations with regional marketing budgets of \$5,000+ and for single projects with marketing expenditures beyond a 60-mile radius of Salina. The CARM funding also provides resources to streamline data collection on visitor spending and overnight stays generated by patrons of the cultural arts venue and/or event (applicant).

Visit Salina, a division of the Salina Area Chamber of Commerce, administers the CARM program which includes publishing the guidelines and distributing grants to qualifying applicants.

Applications are reviewed by Visit Salina and a cultural arts committee, including staff representation from the Salina Arts and Humanities (SAH) receiving feedback and final approval by the Salina Chamber of Commerce Board.

### Components, Practices & Definitions:

- Cultural arts organizations: Not-for-profits as recognized by the Kansas Secretary of State, covering fields like art, literature, music, etc., or other non-profit organizations who are producing a cultural event. Cultural arts organizations apply for CARM reimbursement grants
- Regional marketing: Efforts targeting audiences likely to stay overnight in Salina, specifically beyond a 60-mile radius.
- TGT funds are collected by local lodging properties, submitted to KDOR, and returned to the City, minus a 2% fee.
- The city distributes quarterly funds to the Salina Area Chamber of Commerce by contract to support the Visit Salina program which includes CARM program grants.
- CARM Grant Fund allocations and reimbursements are made in December of the application year

- City departments/agencies are ineligible, but their associated not-for-profit groups may apply under certain conditions.
- Funded projects must realistically aim to attract a regional audience.
- Media placements are funded according to their market share's focus on targeted regions. (Media audience outside of a 60-mile radius of Salina.)
- Uniform tracking/reporting is required, with potential audits.
- **Recipients of funds are required to do the following:**
  - **Populate the [www.SalinaAE.com](http://www.SalinaAE.com) calendar with VISITOR centric events, performances, etc. in a TIMELY manner.**

## **Section II: Regional Marketing Comprehensive Grants**

**Purpose:** Work with cultural arts organizations in regional marketing, enhancing exposure by matching investments with TGT funds.

### **Participant Eligibility, Requirements & Funding:**

Up to 75% of CARM allocation is reserved for large cultural arts organizations that have regional annual marketing budgets in excess of \$5,000. Participants provide a 1:1 match, capped at a maximum of 25% of anticipated annual funding for any single organization.

(Example: The 2025 CARM allocation based on TGT performance is \$150,000 x 75% = \$112,500 reserved for large organizations with \$5,000+ regional marketing budgets. \$112,500 x .25% = \$28,125 is the maximum available to large organizations. The funding pool may fluctuate depending on the total number of large organizations in the pool and the amount of their requests.)
