

- Your **WINDOW STICKER** and **WRISTBAND** **must** be on for the drags. If you do not have it, they will turn you around and this disrupts traffic for everyone! Please don't forget your sticker AND wristband.
- Participant parking at the drags is limited. If you're in line to enter the race and are told it is full, please continue out and then come back. Staff will work to get you in—patience ☺
- **NO Passengers**, drivers only allowed in drag participant cars.
- East lane is the emergency vehicle lane, keep clear.
- If you see someone in an unsafe place ask them to move to a safe area. Do not allow spectators in drag area.
