

## Ground Transportation

Salina's fixed-route bus system, CityGo, serves more than 80 percent of the city with safe, reliable, and cost-effective transportation service. In partnership with the City of Salina and the Kansas Department of Transportation, OCCK operates and manages CityGo transit services, including a fleet of buses, 200 bus stops throughout Salina, and comprehensive accessibility.

CityGo spans the city from North to South and East to West with five routes, noted by colors on route maps and bus stops: red, blue, purple, green and yellow. There are six transfer points to make crossing from one line to the next fast and efficient.

Each bus is wheelchair accessible. CityGo buses feature a green, organic design that is clearly marked "CityGo" and can be easily spotted. For specific information regarding maps, routes, fares and hours of operation, go to the CityGo website.

## Car Rental

Currently, these Chamber members provide car rental services: Conklin Cars Salina, Long McArthur, Inc., and Marshall Motor Company.

## For Fun...Bicycle Rental!

Salina is part of the KANcycle Bike Sharing for Rural Kansas project. Bikes are available across the community. Download the App. Unlock a Bike. Start riding!

Thinking of relocating?  
We aren't surprised!  
After all,  
**WE love Salina!**

# TRANSPORTATION

## Flight

Salina Regional Airport has the capability to land nearly any aircraft, with four runways: the primary at 12,300 feet, a 4,300 foot parallel, and crosswinds runways at 6,500 and 3,648 feet. More than 1.2 million square feet of aircraft parking apron is available.

The airport's world class FBO, Avflight Salina, annually delivers aviation fuel to thousands of business jets and military aircraft. This has earned Salina the moniker, "America's Fuel Stop." The air traffic control tower is busy during the year with aircraft operations exceeding 90,000.

United Airlines provides daily scheduled passenger air service non-stop to Denver International Airport and Chicago O'Hare International Airport. Reservations can be made at [www.united.com](http://www.united.com) by calling 1-800-UNITED.1 (800.864.8331), or by contacting your local travel agent.

While you are in the area of the Salina Regional Airport, be sure to stop and enjoy the beautiful monument at Fossett Plaza. This artwork is dedicated to aviator and adventurer Steve Fossett, who piloted the GlobalFlyer on its world record flight in 2005, which originated at this airfield in Salina!
