

Workforce Solutions Director

Summary/Objective:

The Workforce Solutions Director will be responsible for the enhancement and direction of workforce development policy, vision, and implementation of the Imagine Salina workforce program strategies. The Workforce Solutions Director will be the subject matter expert on workforce development and drive both the strategy and implementation of Imagine Salina across the region and our members. The Workforce Solutions Director will work collaboratively to ensure the Salina Area Chamber of Commerce fully engages and effectively leads the expansion, creation, recruitment, and retention of talent in the Salina, KS area. The Workforce Solutions Director will be committed to a set of sound principles and philosophy to maintain our position as the leader in workforce development and as a strategic partner to address the talent needs of our member companies.

Essential Functions of this position include:

- Provide long-range strategic planning, leadership and direction for the Imagine Salina programming and forge and maintain strong partnerships with a wide array of stakeholders.
- Oversee development, marketing and continual updating of an "Imagine Salina" website, which will feature highlights of quality of life, career opportunities, talent development, and relocation services with the end goal of assisting employers fill open and in-demand positions. The website and associated marketing of the website will focus on the Salina area as a whole, and be an avenue to remove barriers associated with relocating to the area.
- Create, communicate and advance a compelling and inspired vision and sense of purpose that will motivate and positively influence individuals to explore career and quality of life opportunities in the Salina, KS area. Including but not limited to separating military personnel and residents from other states.
- Implement and utilize additional outreach strategies including social media, digital, and traditional marketing to targeted job seekers.
- Participate in targeted in-state and out-of-state events (K-12 and Post-secondary schools, military fairs and career centers, rapid-response events, conferences, technology demonstrations and career education opportunities, celebrations, etc.) in order to promote employment opportunities.
- Maintain and establish relationships with secondary and postsecondary schools, counselors, career offices, and technical education staff. These entities may be in any destinations that have an available workforce with the skill sets needed by Salina area employers.
- Supply career education information, materials and follow-up services to build awareness of employment opportunities.
- Establish and maintain effective relationships and communication with federal, state, regional and local governmental officials, and external agencies.
- Prepare monthly progress reports on all projects for the President/CEO.

An ideal candidate will possess the following competencies:

- Proven leadership experience and ability to quickly become familiar with operations and goals of a multifaceted workforce development program including identifying opportunities, challenges, and risks.
- Ability to engage in a participatory work environment in which individuals collaborate in pursuit of a common mission and shared goals, promote innovation, change, and problem solving, and maintain positive teamwork.
- Excellent analytical and organizational skills and demonstrate an ability to understand, analyze, prepare, manage, and report comprehensive data related to economic development including trends related to workforce development.

- Ability to facilitate problem-solving, recognize positive results, manage conflict, and negotiate satisfactory outcomes.
- Proven experience and ability to effectively communicate with small or large audiences, listen, speak, write, present, facilitate, and interact in a persuasive and appropriate manner with public and private individuals and groups.
- Working knowledge of PC, Microsoft Suite and industry software, email, D&B database, etc.
- Mature approach in handling business professionals.
- Working knowledge of financial analysis techniques, reports, business plans, etc.
- Knowledge of Chamber of Commerce functions and programs.
- Experience in working with volunteers and within partnerships.
- Experience creating or implementing digital media including email, social media platforms, and graphic design.

Preferred Education and Experience

- Bachelor's degree from an accredited college or university.
- Three to five years of progressively responsible professional experience in economic development, including experience with employment and training fields, or a closely related field. Experience working in or with both the public and private sectors is desired.
- Preference will be given to candidates who have a Master's degree and/or are Certified Economic Developers.
